

I think Huldah must have some trouble having
Sam gone so much he told me he was not
at home some times for six months but there
is a hope of seeing them again. I have
had two letters from Mother's brother Isaac
Diamond he lives in Michigan he is 68 years
old and says he is hearty and can work
like a beast he is coming to visit Lydia
and in this fall he has five children
I must stop for I am tired of writing
tell Mat to write whether she is woman
enough to take care of a baby and have
the other girls write
My respects to Grand Pa
and Grand Ma
Huldah and all
